

2023 Crofton Cherry Blossom Festival

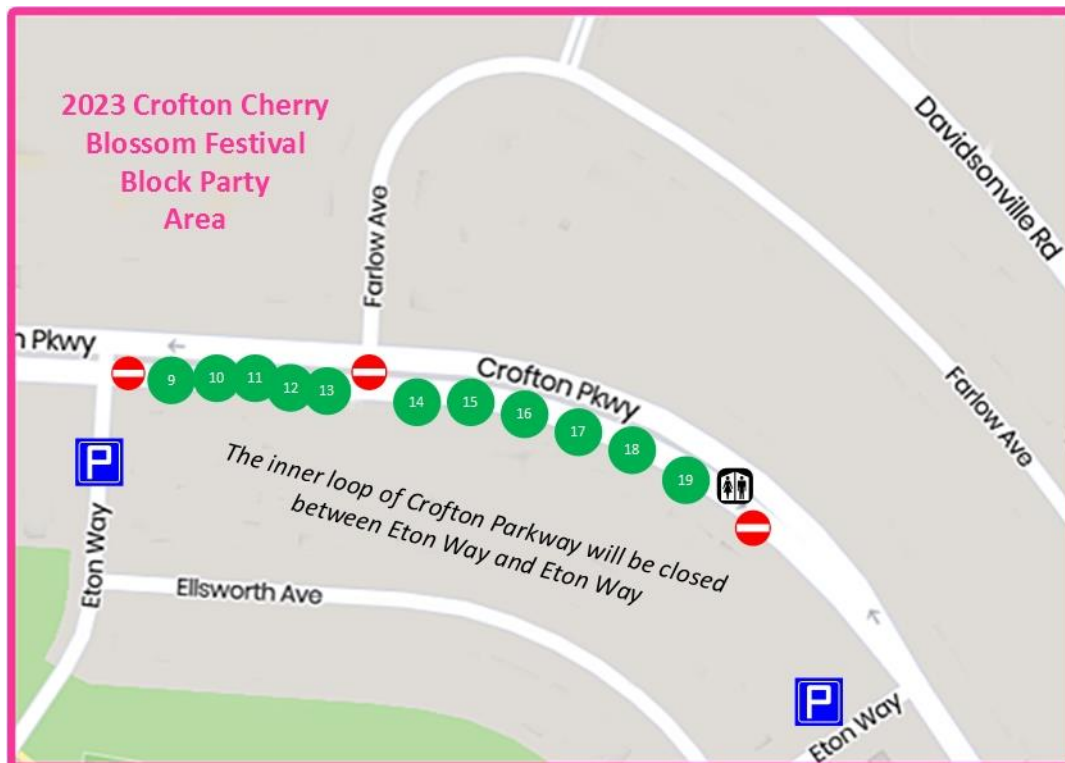

The second Crofton Cherry Blossom Festival will be held on **Saturday, April 8, from 11:00 AM until 2:00 PM** (no rain date.) Folks are encouraged to come out, walk Crofton Parkway, and enjoy many activities along the way.

The route starts with live music with the Tom Lagana Group at Crofton Country Club, proceeds along the north and eastern side of the Parkway, past Town Hall, and ends where Beaver Creek crosses the Parkway (see the event map on the last page.)

There will be food trucks, face painting, live music, a community yard sale area, and lots of activities and local community groups all along the way. The inner loop of Crofton Parkway will be closed between Eton Way and Eton Way (beginning at 10:00 AM for set-up) where there will be a “block party” area. Porta potties will be located near the food trucks at the Prince of Peace church and at the block party area.

You’ll find local organizations along the way offering handouts and activities for the kids, where you can learn more about getting involved in Crofton programs. An arborist will be on hand at the Crofton Village Garden Club’s stand to talk about the cherry blossom trees, variations of cherry blossom trees, and to answer your questions about maintaining healthy trees.

In the block party area, there will be a community yard sale with tables that can be reserved from the Crofton Kiwanis Club. If you are interested in reserving a table (\$30 donation), please write to Comptroller@Croftontownhall.org.

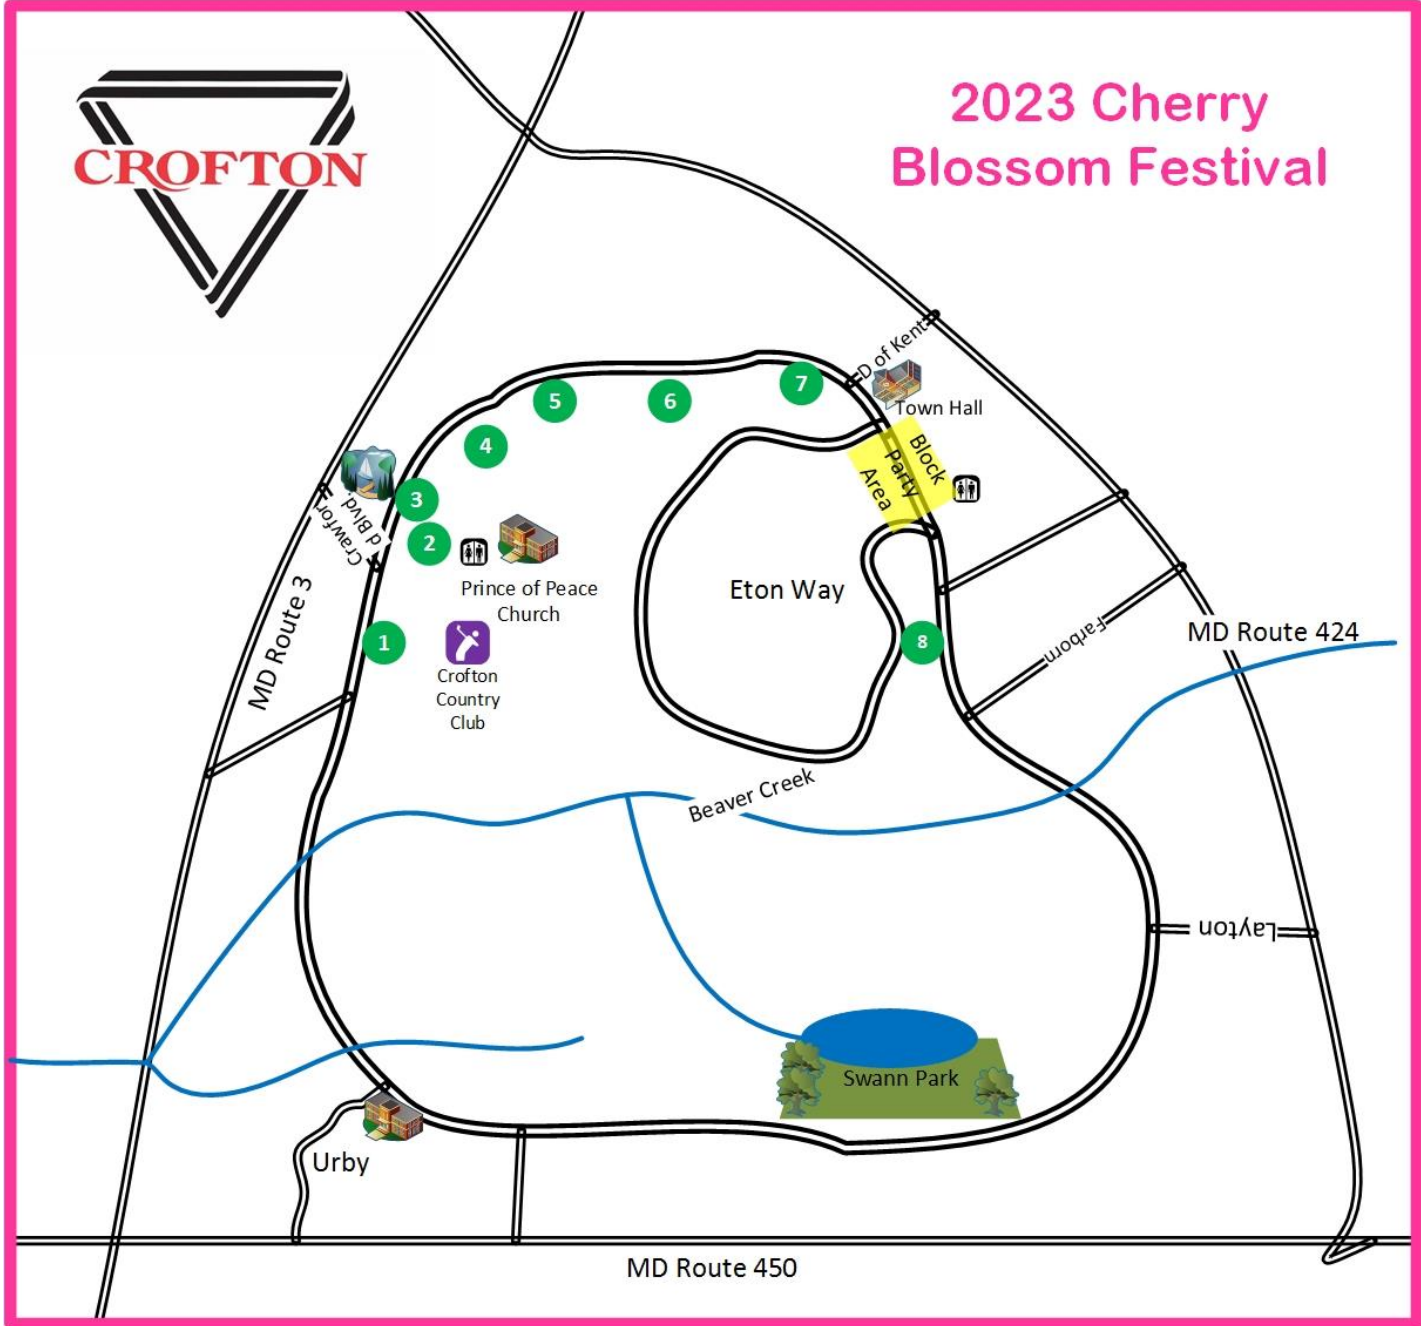

Block Party Area Key

- | | |
|---|--|
| 9 – Scout Troop 214 | 16 – Community Yard Sale Area |
